SPACE
GENERATION
ADVISORY
COUNCIL

AP-SGW 2018

Previous AP-SGWs from 2014—2017 were successfully hosted in Japan, Indonesia, Philippines and India.

The 5th Asia-Pacific Space Generation Workshop (AP-SGW 2018) is a two and a half-day workshop for students and young professionals (aged 18-35 years) to **discuss pertinent issues in the Asia-Pacific region**. Held from 3 to 5 November in Singapore, the event will feature 60 top delegates.

As per tradition, AP-SGW 2018 is supported by and held in conjunction with the **25th Asia-Pacific Regional Space Agency Forum (APRSAF)**, happening 6 to 9 November.

ABOUT THE ORGANISER

Space Generation Advisory Council is a global non-governmental organization that represents university students and young professionals to the United Nations, space agencies, industry & academia. To date, it has a network of 13,000 members and alumni representing 150 countries in 6 regions. In Asia-Pacific alone, SGAC recently organized Space Generation [ASEAN], SpaceUp Conference, and its flagship event the **Space Generation Congress**.

SGAC has Permanent Observer Status in the United Nations Committee on Peaceful Uses of Outer Space (UN COPUOS), allowing it to attend and present workshop recommendations at high-level meetings.

AP-SGW 2018 GOALS

1. To strengthen the Asia-Pacific network of students and young professionals.
2. To attract recommendations for key Asia-Pacific issues faced by the region's space community, to be shared by SGAC at the United Nations Committee on Peaceful Uses for Outer Space.
3. To boost long-term talent development for the next generation of Asia-Pacific space leaders, through the Speed Mentoring segment.
4. To facilitate the interaction between tomorrow's space leaders and today's Asia-Pacific space leaders, through cooperation with the 25th APRSAF.
5. To celebrate and reflect upon progress in the young Asia-Pacific space community, having a clearer picture on how to pave the way forward.

CONCEPT

2 and a half day workshop, held from 3 to 5 November, in Singapore

- **2 Expert Panel Discussions** – Experts from the space industry will be invited to share insights and discuss issues specific to the region.
- **5 Working Groups** – The delegates will be assigned to working groups of their interest, making recommendations that have the opportunity to be presented to stakeholders, high-level scientific conferences, and in SGAC's Annual Report to the United Nations.
- **Community Building** – This year, delegates will be given ample time to prepare for the topics and connect with each other before the event, through social media groups. There will also be multiple opportunities to network during 2 Lunches, 4 Coffee Breaks, Opening Dinner, and Closing Dinner.
- **Half-Day Speed Mentoring Event** – Young space entrepreneurs will have the precious opportunity to share their ideas, exchange understanding with and learn from established professionals in the region.
- Featuring at least **60 delegates, 10 speakers, 5 mentors, and 5 moderators.**

WORKING GROUPS

1. Space Policy and Initiatives in Space Debris Management
2. Miniaturized Satellite Technology Research and Applications
3. Empowering NewSpace Ecosystems in Asia-Pacific
4. Space Education and Outreach in Asia-Pacific
5. Gender Diversity in Asia-Pacific Space

A background photograph of a professional event. In the foreground, a woman with dark hair is seen from the back, wearing a light-colored sleeveless top. Behind her, two men in suits are looking towards the right. The man on the left is looking slightly towards the camera, while the man on the right is smiling and looking down. In the far background, another man with glasses and a beard is visible. The setting appears to be an indoor conference or networking event with tables and papers visible in the lower right.

SPONSORSHIP OPPORTUNITIES

This is a unique opportunity to build stronger ties and promote your organization to the Asia-Pacific space community, as well as be associated with growing the multi-million dollar space industry here in the region.

As a sponsor, you can choose from the following packages or define special items you would like to support.

COFFEE BREAK – \$500 USD (5 available)

- Recognition during the event
- Your logo on the workshop banner and SGAC website
- One sponsor leaflet included in delegate welcome bag

LUNCH BREAK – \$1500 USD (2 available)

In addition to “Coffee Break” benefits,

- Invitation to Opening Dinner & Cultural Night (2 people)
- Shout-out on SGAC social media channels (LinkedIn, Facebook, and/or Twitter)
- Opportunity to speak at the event

DINNER HOST – \$3000 USD (3 available)

In addition to “Lunch Break” benefits,

- Invitation to Opening Dinner & Cultural Night (4 people total)
- Reserved event pass for 3 representatives (18-35 years) to attend the workshop
- Opportunity to deliver a Highlight Speech at dinner

GENERAL SPONSOR – \$300 USD (3 available)

- Recognition during the event
- Your logo on the SGAC website
- Include a branded item (e.g. lanyard/door gift) in delegate welcome pack

WORKSHOP SPONSOR – \$2000 USD (3 available)

- Recognition during, before, and after event
- Your logo on all event communication materials, including press releases
- Opportunity to designate a relevant speaker from your organisation to present, be involved on the panel, or as a working group moderator
- Invitation to Opening Dinner & Cultural Night (2 people)
- Reserved event pass for 1 representative to attend the workshop

ADDITIONAL SPONSORSHIP BENEFITS

- Raise the profile of your agency and/or country as one that is involved in salient international space activities
- Engage young professionals and students involved in space, gaining access to the 10,000-strong SGAC network
- Bring to attention the issues that are important to your organisation, leveraging on SGAC projects to reach the international space community
- Publicity amongst the membership of SGAC, United Nations, donors, alumni, newsletter subscribers, various social media channels, and media partnerships
- Gain increased exposure of your organisation to top students and young space talent in the region
- Join a community of practice that facilitates networking opportunities and boosts long-term partnerships
- Reach potential customers looking for technical solutions in the region
