About SGAC

SPACE GENERATION
ADVISORY COUNCIL

The Space Generation Advisory Council is a global **non-governmental, non-profit** organisation and network which aims to represent **university students and young professionals** aged **18-35** to the **United Nations, space agencies, industry and academia**.

Through events, scholarships, project groups, and other professional development opportunities, SGAC engages its network of **32,000+ members** and alumni in **168 countries**.

The European Space Generation Workshop 2025

4th and 5th of July, 2025

Toulouse, France

200 participants

Entirely in English

[Event Website](#)

Objectives

By your support, the E-SGW delegates will be able to:

- ◆ Discover and discuss current **European space challenges**
- ◆ **Meet experts** from different companies and background
- ◆ **Network** with fellow students and young professionals in the space sector
- ◆ Exchange the **delegates' point of views** on these topics and share them with the **sponsoring companies** and the **UN at COPUOS meetings**
- ◆ Provide **concrete outcomes** to space organizations

Event's details

Why sponsoring ?

REPRESENT YOUR ORGANISATION

Present your organisation in front of young space enthusiasts, professionals and students, at the SGAC flagship European event

IMPROVE YOUR VISIBILITY

SGAC is a worldwide network gathering the young generation but also many main governmental space agencies and companies

SOURCE NEW TALENTS

Leverage the SGAC network of young professionals & create relationships with talented leaders from across the globe
