

SPACE GENERATION FUSION FORUM 2018

April 15 & 16, 2018

Colorado Springs, USA

SPACE GENERATION
ADVISORY COUNCIL

About the Space Generation Fusion Forum

Held annually in scenic Colorado Springs in conjunction with the Space Symposium, the Space Generation Fusion Forum is a two-day, high-intensity, fast-paced professional development and networking event focused on the international and US space industry. Delegates are students and young professionals from around the world and various facets of the space sector including science, engineering, law/policy, business/commerce, medicine, media, military, and government. Through discussion tracks, expert panels, keynote presentations, and interactive activities, these selected delegates will fuse their perspectives. All output produced by the Space Generation Fusion Forum is compiled into a report which is presented at the United Nations Committee on the Peaceful Uses of Outer Space, stakeholders within the space sector, and other conferences around the world.

About the Space Generation Advisory Council

The Space Generation Advisory Council is a global, non-governmental, non-profit (US 501(c)3) organisation and network in support of the United Nations Programme on Space Applications. SGAC aims to represent university students and young space professionals ages 18-35 to the United Nations, space agencies, industry, and academia. Headquartered in Vienna, Austria, and with an office in Washington DC, the SGAC network has grown to more than 10,000 members in more than 110 countries.

Benefits of Sponsoring

Fusion Forum is a unique opportunity to interface, build relationships with, and recruit top-performing students and young professionals in the aerospace industry from around the world. By sponsoring Fusion Forum, companies have a range of options to engage with the 50+ delegates; these opportunities include panel talks, keynotes, sending a representative to meet the delegates, and other valuable options detailed below. Through your support, you will build your organisation's brand as a leader and supporter of young professionals, appear in SGFF marketing, and gain visibility at the Space Symposium.

Class	Complimentary Delegate Registrations*	Speaking Opportunities/ Presence Type	Promotion	Available
Jupiter \$20,000+	5	Lunch Keynote	Company Logo on Badges, Padfolios, Lanyards + Moon Level	1
Saturn \$10,000	3	Opening or Closing Keynote	Press release + Moon Level	1
Neptune \$5,000	2	Networking Reception	Press release + Moon Level	2
Venus \$3,000	1	Breakfast Keynote or Track Moderator	Press release + Moon Level	5
Earth (Scholarship) \$2,500	-	Sponsor one delegate based on selection criteria of your choosing to travel and attend SGFF 2018		Unlimited
Mars \$2,000	-	Coffee break	Company media during break + Moon Level	3
Moon** < \$1000	-	-	Logo in delegate handbook, website, and SGFF banners	Unlimited

Past Speakers & Sponsors

SGFF has a track record of speakers and sponsors from leaders in the industry. Just a few of last year's speakers include US Rep. Jim Bridenstine, Pierre Delsaux (Deputy Director General of the European Commission), and Dr. Jan Woerner (Director General of the ESA).

**Note on complimentary registration: the value of a complimentary registration is \$225, and also comes with a significant discount to attend the Space Symposium (registration of \$655 vs \$2265 early bird registration rate). In regard to the Scholarship, the complimentary registration is a reservation for the scholarship winner.*

***If none of these option are exactly what you are looking for, the SGFF team would be happy to discuss the option of a tailored package for your organization.*
